

# Bay Area Mineralogists November 2004 Newsletter

Next meeting November 10th  
At Foothill College  
<http://www.baymin.org>

Welcome to the November issue of The Bay Area Mineralogists (BAM) newsletter. The purpose of our club is to further spread the knowledge and interest of mineralogy in our world today and promote awareness in the field of natural sciences as they pertain to the geosciences.

## Winter Meeting Reminder

We just finished the last official BAM field trip of the year last month to Clear Creek area in San Benito County. There were eight members along for this trip capping a great year that featured four trips in all. Next meeting is at the usual location, Foothill College Geology room (see details below) on November 10<sup>th</sup> at 8pm. We will be discussing future talks and trips for 2005. In addition, the February Tucson Show will be on the table that night, so plan on stopping by.

Bring in your favorite finds from the summer and plan on sharing your adventures and ideas for the upcoming year. We will be in the initial stages of planning five field trips for next year.

## BAM Contact Information

Editor: Dan Evanich

Phone 408-362-0892

Email [djevan@aol.com](mailto:djevan@aol.com)
